The CoC is now using Member365 to manage communications, committees, voting, and more. Please read the descriptions of the categories below and choose the option that best represents your CoC affiliation. Members who attend at least 50% of meetings are eligible to participate in elections.

Membership Categories

1. Agency Membership

Agency membership should be completed by a designated “lead” at your agency, who will then have an opportunity to add an unlimited number of affiliates members/employees. Ask your colleagues to determine if your organization has already been registered.
